THEME

ערי קודש בארץ הקדושה  
חברון - ירושלים - צפת

The holiness of Eretz Yisrael is not centered entirely in a single location. All of Israel is Kadosh, all of its fields and all of its cities, its lakes and its rivers.

Yet three cities stand out as special locations through which the distinctive holiness of the land and its people is manifest:

1. ירושלים is the עיר הקודש - the city of the Beit HaMikdash. It is the city which King David chose as the capital of the Jewish nations and in which he desired to build an everlasting House for the Lord. His son, Shlomo HaMelech, actually built that first Beit HaMikdash and when it was destroyed a second was built on the same location. We continue to await the building of the third and truly everlasting Mikdash on that very same place. ירושלים is symbolized by the color gold to remember the gold of the Beit HaMikdash and its utensils, and for the color of its stones in the setting sun.

2. חברון is the עיר האבות - the city of our forefathers. It is the place which Avraham chose as the final resting place for his wife Sarah, for himself and his descendants. It is in the environs of חברון where Rachel died and from which location she continues to pray for the redemption of her people. חברון is symbolized by the color green which represents the fertility of the Avot and G-d's promise of our becoming a great nation in a fertile land flowing with milk and honey.

3. צפת is the עיר המקובלים - the city of the Kabbalists, the Mystics. It is the city in which a whole new dimension of Jewish life was born and through its offshoot - Chassidism, eventually conquered much of the heart of the Jewish people. It was in צפת that the great Rabbi Isaac Luria restored the Zohar to a central role in Jewish thought, where Rabbi Yaakov Be Rav attempted to reestablish the Sanhedrin, where Rabbi Joseph Karo wrote his code of Jewish Law - the Shulchan Aruch. צפת is represented by the color red, the color of blood which, on the doorposts of the Jews, represented the special unity of G-d and the Jewish people.

But it is not only through their extraordinary roles in Jewish history and the remarkable personalities associated with them that these cities convey their special *kedusha*. Each of these locations also reflect the holiness of the Jewish people by calling on us to do special *Mitzvot*, to enter into a distinctive relationship to *Hashem* and to concentrate our attention on particular *Midot* in our relationships with other people.

The chart below will summarize and suggest some of the extraordinary characteristics of each of these cities:

|                              | ירושלים               | חברון                   | צפת                                |

| 4. Relationship to Hashem    | יראת ה'               | אהבת ה'                 | ייחוד ה'                           |
| 3. Interpersonal Midot       | אהבת הבריות           | Self-Sacrifice          | קירוב רחוקים<br>Unity of ישראל     |
| 4. Color                     | Gold                  | Green                   | Red                                |

## PRESENTATIONS AND PROJECTS

**SHIELD:** The shield should embody symbols associated with the themes of the teams and is to be presented on Wednesday night. It is to be constructed of wood, and will be permanently mounted. The *Shield* will be judged on the basis of the following: artistic appeal, quality of workmanship, representation of theme, originality of concept, creativity, and presentation. The presentation is to consist of a detailed explanation of the *Shield*, and how it expresses the theme. Each presentation should not exceed two (2) minutes.

**BANNER:** An oaktag banner is to be designed and executed exclusively by Machzor Aleph campers. It is to express the campers' concept of the theme. The *Banner* will be presented at lunch on Wednesday.

**THEME PRESENTATION:** Each team will present its theme in the form of one or more of the visual arts (song, drama, dance, multi-media performance, pantomime, cantata, etc.). The Dramatics and Education staffs will be available for consultation. Each presentation should be approximately 7-10 minutes. Any team exceeding the time limit will be penalized accordingly. They will be judged on the basis of creativity and presentation. Camper involvement should be encouraged. This presentation will take place Wednesday night. All scripts must receive approval of the Coordinating Committee by 8:00 P.M. Tuesday night.

**DINING ROOM DECORATIONS:** Creativity, adherence to themes, aesthetic appeal, durability and camper involvement will guide the judges. Each team is to prepare one *pitgam* to be mounted (location to be cleared with Coordinating Committee) by Wednesday evening and one other dining room decoration. On Thursday, after lunch each team will present its dining room decorations in a brief presentation to the judges.

**SHIRIAH:** Each team will present two songs: A *Shir Tefila* and a team march. The songs will be judged on the basis of presentation which includes: Knowledge of words, harmony, clarity of words, delivery, lasting value, and overall appeal. *Shiriah* will take place Thursday evening.

**CAMP PROJECTS:** Small projects, enabling the team to make a lasting contribution to MORASHA will be assigned to the teams by the Coordinating Committee.

## GENERAL RULES

**ENTRIES:** Complete written lists of starting and substitute participants in events must be submitted to the judges before the start of the event. If entries are not submitted on time, the event may be forfeited at the discretion of the judges. Entries may be changed only upon the consent of the judges. Any camper may be barred from participation in events by the medical staff.

**LINEUP:** The lineups and various assemblies will be judged for their orderliness, discipline, promptness, and spirit.

**DINING ROOM:** Relaxation is essential during mealtime. General decorum must be maintained and the teams will be judged accordingly.

**O.D.:** The O.D. schedule will follow regular rotation. Generals may make substitutions only with permission of the Head Counselors.

**REST HOUR:** Rest hour will be strictly enforced. No camper will be excused from the bunk without the permission of the Head Counselors.

**LETTER WRITING:** Each camper must write home Wednesday. Letters will be collected at supper lineup. Points will be deducted from any camper who has failed to write home.

**SHALHEVET:** Each team must submit ten (10) articles (one per division) for Shalhevet by Wednesday lunch as per instructions.

**CHANGES:** All activities, rules and regulations are subject to change without prior notice at the discretion of the Coordinating Committee. However, this will not be done unless an unusual circumstance indicates the necessity for such a change.

**FORFEITS:** Teams must be ready on time when the event is called or forfeit said event.

**PRORATING:** A modified prorating system (Olympic scoring) will be used for all sports except where otherwise noted. 20% of the points will go to the winner. The remainder of the points will be divided on a per-cent basis. In general, the following will be the total point value for each sport:

|                    |    |
|--------------------|----|
| NITZANIM.....      | 30 |
| SHTILIM.....       | 35 |
| ILANOT.....        | 40 |
| ALUFIM-ALUFOT..... | 45 |
| S.D.P.....         | 50 |

In case of shut-outs, or wide point differences, certain adjustments are made in the prorating system. The Scoring Committee may be consulted for details.

**CURFEW:** CAMPERS AND COUNSELORS ARE NOT PERMITTED TO STAY UP AFTER CURFEW, NOR ARE THEY TO ARISE BEFORE REVEILLE, WITHOUT SPECIAL PERMISSION FROM THE HEAD COUNSELORS AND THE COORDINATING COMMITTEE. A limited number of campers, Ohed members and counselors may be allowed an extended curfew. Their names *MUST* be submitted on a special curfew extension form to the Coordinating Committee and the H.C.'s by 7:30 p.m. Names should be listed in order of preference. Extended curfews will be for *one hour only* unless otherwise specified.

**PROTESTS:** Protests must be submitted in writing, signed by the counselors supervising the activity, and countersigned by the General. The protest is to be submitted to the Arbitrating Committee by the mealtime immediately following the event in question.

**PREPARATION and PROMPTNESS:** Teams must report to activities promptly. All campers in the division must be present at the activity of their division (unless the camper is taking part in another supervised activity). Failure to be prompt may lead to the forfeiture of points. Participants should wear, wherever and whenever possible, the team color.

**MEALS:** No camper, counselor, or General, is to be absent from any meal without the prior permission of the Head Counselor and Coordinating Committee. Therefore, no food is to be removed from the Dining Room and no meals may be brought out.
