Theme Description**"קדוש קדוש קדוש ה צבאות מלא כל הארץ כבודו"**

The ultimate purpose of our existence as Jews is to fill the world with holiness. The Torah is G-d's instrument to guide us in that path, showing us how we can invest holiness in nature, in time and in time and in all human beings.

1. **קדושת זמן** - Holiness in Time is a fundamental Jewish achievement. Shabbat and the Holidays, supplemented by numerous Mitzvot which must be performed at fixed times, make us constantly aware that time is not to be wasted, but is to be filled with meaning through service of G-d and proper relationships with other people. Our most essential religious duty is to transmit knowledge of G-d through time ( **מסורת** ), and to strive towards arriving at a time of total perfection **ימות המשיח**. Contemporary notions of leisure and recreation as time to be "killed" are exactly opposite Torah's notion of time to be sanctified; so that finding ways of spending leisure time properly is a central challenge of modern Jew. Holiness in time is symbolized by the color red to remind us of candles, which we always light at the onset of Holy time, and of the sunset which reminds us daily of the passage of time.

2. **קדושת טבע** - Holiness of nature. From the very beginning of G-d's creation of the universe G-d described the natural world as "good." Yet even the most perfect part of that creation, the garden of Eden ( **גן עדן** ) required human action, "to work it and to guard it," to make it holy. The multitude of Mitzvot related to nature - the mandate to allow the land to rest on the seventh year ( **שנת דשמיטה** ), the duties of tithing ( **תרומות ומעשרות** ), the various symbolic uses of the harvest produce on the Festivals, the obligation not to waste that which has been produced ( **בל תשחית** ) and the variety of requirements related to kindness to animals and prohibitions against causing the unnecessary pain ( **צער בעלי חיים** ) - all of these are ways through which we show our awareness of G-d as Creator of the world, and awareness of our duty to make nature Holy. Threats to the delicate balance of nature through human disregard of ecological concern and through the stockpiling of nuclear weapons capable of destroying the entire world through sheer accident, are amongst the most serious challenges faced by mankind today. Holiness of nature is symbolized by the color blue.

3. **קדושת אדם** - Holiness of the human being. G-d's constant mandate to the Jewish people, and through us to all of mankind, is **קדושים תהיו** - Be Holy! While the whole of Torah is the vehicle for achieving Holiness of persons, special emphasis is placed on Holiness to be achieved in the relationship between persons - through **מצות בין אדם לחבירו**. Striving for ethical behavior, for unity ( **אחדות** ), for social responsibility **ערכות**, for recognizing the sanity and integrity of every human life, is the path to gaining personal Holiness. #### INSTRUCTIONS FOR COUNSELORS

1) COUNSELORS MUST FIRST FULFILL THEIR RESPONSIBILITIES TO THEIR BUNKS BEFORE PROCEEDING TO MORASHIA EVENTS.

2) It is the major duty of all counselors and generals to encourage work to be done by campers. Counselors are to serve primarily as advisors.

3) No articles are to be removed from the "A" building, H.C. Huts, Dining Room, Arts & Crafts shops or Merkazia without prior permission from those in charge. All items removed with permission, must be returned to their proper places.

REMEMBER ALWAYS: Stress is not on competition for competition alone can arouse ill feelings and resentment. Emphasis should be on the themes delineated and sportsmanship. All activities should be conducted with the spirit of good fellowship rather than with a feeling of rivalry. The maxim of Morashia stresses the fact that the important thing is not so much to win, but to compete to the best of your ability. Therefore, all counselors are requested to make certain that all campers, no matter how weak in athletics, shall participate. Any infractions of this rule will result in a substantial loss of points for the team involved.

Bunk cleanup follows the regular rotation schedule. Any departure from maximum standards by campers or staff will be penalized.

Bunks *MUST* be covered during the morning cleanup, rest hour, evening preparation, and bed time. Responsibility for this coverage will be divided among the teams such that each team will be responsible for a set number of bunks. A list of the covering counselors is to be presented to each H.C. and to the Coordinating Committee each morning by Tefillah. Severe deductions will be made for any bunk left uncovered.

Individual judges may recommend an award or deduction of up to five (5) points per incident for attitude, spirit, sportsmanship, supervision, etc.

Discussions and protests of controversial decisions should never be held in the presence of campers.

In the Bet Knesset, campers and counselors will sit by bunk. Baalei Tefila will be chosen according to the regular rotation. No camper or counselor may absent himself/herself from Tefila without special permission from the Head Counselor and the Coordinating Committee.

#### STRUCTURE OF THE TEAMS

- 1) Camper captains may be chosen from each division, and can be involved in planning and decisions.
